SUMMARY

Detail-oriented BTech CSE (Cyber Security) student with a strong foundation in Python, secure coding, and web development. Skilled in developing secure applications and eager to apply technical expertise to contribute to innovative IT solutions and Python development projects.

EXPERIENCE

, **She-Cabs**

Cab Booking System for Women's Safety and Empowerment

- Developed a secure cab booking system using Python, MySQL, HTML, and CSS.
- Implemented role-based authentication and tracking features to ensure safety.
- Designed a user-friendly interface to improve accessibility for women commuters.

, **Edu-Bridge**

Academic Resources and Student Support Platform

- Built a full-stack application using React.js, MySQL, and Python for student resource sharing.
- Enabled easy access to academic materials, notes, and mentorship support.
- Improved collaboration among students by integrating discussion and Q&A features.

EDUCATION

Malla Reddy University

BTech • Computer Science and Engineering (Cyber Security) • 2022 - Present

Sri Chaitanya junior college

- 2020 - 2022

Sri Chandra Techno School

- 2020 - 2020

LICENSES & CERTIFICATIONS

Programming with Python

Internshala •

Algorithms, Data Collection, and Starting to Code

Coursera •

Oracle Cloud Infrastructure 2025 Certified Generative AI Professional

Oracle •

SKILLS

Python • Java (basic) • JavaScript • HTML • CSS • React.js (basic) • Django • MySQL • Wireshark • Git/GitHub
